**Re: Helen M. Plum Memorial Library Project**

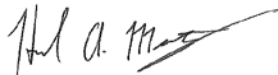

Dear Mr. Paine:

This letter is sent in response to the June 26th, 2019 letter from Sarah Richardt regarding the potential land swap between the Helen Plum Library District and the Lombard Park District. The Library Board was disappointed to learn that the Park District feels the Library's requests are unreasonable. The Library Board reviewed the four options provided in that letter and do not feel that any meet the Library's needs at this time. As such, the Library will now need to investigate other options to determine what best meets the needs of the community. Please understand that this does not foreclose the possibility of future discussions with the Park District, but at this time the Library Board feels the need to ensure that they can build the type of facility the citizens of Lombard deserve.

Please review this information with the Park District Board.

Very truly yours,

**ROBBINS SCHWARTZ**
